

## CURRICULUM MAP – BS Political Science

### **LEARNING GOALS**

1. Students have a fundamental understanding of the theories, research methods, and substantive issues that guide the study of politics.
2. Students have basic knowledge across three of the four major fields of Political Science: American Politics, Comparative Politics, International Relations, and Political Theory.
3. Students have advanced knowledge of the methods of research design and data analysis as used in the discipline of Political Science.
4. Students develop analytic and critical thinking skills that will enable them to rigorously evaluate competing arguments and to appraise value-based claims.

### **KEY TO LEARNING GOAL LEVELS**

- F = Foundational
- I = Intermediate
- A = Advanced

Prerequisite to the Major (1 Course)
