

personal goals indicate they will be successful in completing the UIS curriculum.

For undergraduate admission as an international student, you must have completed the equivalent of 45 semester hours of college or university course work with an average of C or above. If your previous course work did not include general education requirements (See page 33), you may have to take them as part of the graduation requirements for your degree from UIS. If so, these courses may extend the credit hours required for your bachelor's degree. Your intended degree program may also have other requirements for admission of international students. Refer to the program section of this catalog for information.

If you are not a U.S. citizen, you must have a tuberculin skin test done at the Campus Health Service before registering and, if the test is positive, you must also have a chest x-ray. If you have been treated for tuberculosis disease or infection, you must provide medical records, which must be accompanied by a certified English translation. *There are no exemptions from this requirement.*

For maximum consideration, you should plan to have your application to UIS by the following dates: June 1 for the fall semester, November 1 for the spring sem-

ter, and April 1 for the summer session. For further information, contact the Office of Admissions and Records, University of Illinois at Springfield, One University Plaza, MS SAB 20, Springfield, IL 62703-5407, phone toll-free (888) 977-4847, or e-mail admissions@uis.edu.

ENGLISH LANGUAGE PROFICIENCY

Applicants whose native language is not English must submit official international TOEFL scores. A score of not less than 500 (paper based) or 173 (computer based) will fulfill the English proficiency requirement for undergraduate admission. If you have earned an associate's degree in the United States with a GPA of 2.00 or better on a 4.00 scale, you are not required to submit international TOEFL scores. If you fail to meet this English language requirement, you may enroll at an ESL Language Center. Proficiency certification by ESL meets the English language requirement for admission.

If your native language is not English and you have not earned an associate of arts or associate of science degree in the U.S., you will be required to take an English proficiency test on campus the week before registration. This requirement applies to all students — U.S. citizens, resident aliens, and nonresident aliens

alike. Test results do not affect your admission to UIS but will be used to determine your need for an English as a Second Language class.

If you need to satisfy UIS' English composition requirement, you must take UNI 490 Writing/Speaking for International Students during your first term of attendance. This course will not count toward your UIS degree.

IMMUNIZATION REQUIREMENT

Illinois law, Public Act 85-1315, requires that everyone entering a four-year public or private institution of higher education provide proof of immunity to measles, mumps, rubella, diphtheria, and tetanus. You are exempt from this requirement if you were born before 1957, are taking online classes *only*, or are registered *only* for classes outside Sangamon County. You may request an exemption based on religious grounds by providing documentation to that effect. Medical exemptions require documentation by a physician describing the contraindication and the date the exemption is expected to end.

If you are not a U.S. citizen, you must have a tuberculin skin test done at the Campus Health Service before registering and, if the test is positive, you must
