

Application Form for Public Affairs Reporting Program

I hereby make application to the Public Affairs Reporting program at the University of Illinois at Springfield, Springfield, Illinois. I agree, if selected as a finalist, to come to Springfield at my own expense for an interview with the PAR Admissions Committee on a weekend in mid-April. I understand that the program is limited, both by budget and availability of media for intern placement, to 18 students. I am likewise aware that during the internship period, from January through June, I will receive a stipend and that tuition is waived during that period. Deadline for submission of application is April 1.

We are requesting your Social Security Number pursuant to Public Law 93-579 for the University's system of student records as well as for compliance with federal and state reporting requirements. A Social Security Number is required if you are applying for financial aid but is not required for admission to the University. Providing a Social Security Number will, however, speed up the processing of your application since we will not need to manually match your application with other materials such as transcripts and test scores. Supplying an SSN ensures that you will be able to claim the Hope Tax Credit if you are eligible on your federal tax return. The University has a strong commitment to ensuring the privacy and confidentiality of student records and will not disclose your Social Security Number without your consent for any purpose except as allowed by law.
