Please mark the appropriate statement.

1. I plan to submit an application for regular admission.
2. I do not wish to be regularly admitted, but I would like to continue taking courses in a non-degree status.

If you checked the #2, please indicate your reason(s) for wishing to remain in non-degree status.

(Please use additional paper if necessary).

I understand the Non-Degree status does not admit me to any degree program at the University of Illinois at Springfield and that course work taken in this status will not necessarily apply toward a degree if I decide to apply for regular admittance at a later date.
