Entry into specific academic programs is by individual review. All other applicants will be reviewed holistically.

The priority application deadline for Fall 2016 is December 1, 2015. All completed applications received by the priority deadline will be guaranteed a decision by February 1. The final application deadline for Fall 2016 is May 1, 2016.

Transfers
With 26 semester hours or more, students must have a 2.0 or better (4.0 scale) as calculated by SIU Carbondale for all college work and must be in good standing at the last college attended. Students who have completed less than 26 semester hours, must also submit a high school transcript and ACT/SAT scores and meet freshmen admission requirements in addition to transfer requirements. Students who have an A.A., or A.S. degree from a regionally accredited Illinois college are admissible with junior class standing and are considered to have satisfied university core curriculum requirements for general graduation purposes. Those with an A.A.S. degree, should investigate SIU Carbondale’s Capstone Option, which makes it possible for students to earn a bachelor’s degree in 60 semester hours beyond the associate.

The University of Illinois Springfield is one of three campuses of the University of Illinois. Today, the more than 5,000 students enrolled are a mix of traditional residential students and full- and part-time non-traditional students - those who have transferred to UIS from other institutions; returned to finish a degree; or who are seeking advanced degrees, second degrees, or professional programs. In October 1999, UIS reached a milestone in its history when the Illinois Board of Higher Education unanimously approved the campus' four-year baccalaureate program, Capital Scholars. This program enrolled its first class of freshmen in Fall 2001. UIS admitted its first class of general admission freshman in addition to Capital Scholars Honors Freshman group starting Fall 2006. Students can pursue any of 43 University of Illinois degree programs, including 24 bachelor's degree programs. The average class is 15, with a student/faculty ratio of 15:1.

UIS’ beautiful, spacious 746-acre campus is located on the southeast side of the capital city, near Lake Springfield. The campus is easily accessible via Interstates 55 and 72. UIS opened its second residence hall (Founders Hall) Fall 2008. Founders Hall features a green (sedum) roof. More than 1,100 students live in on-campus housing. Students can participate in approximately 75 student clubs and organizations. UIS competes in NCAA Division II men’s soccer, tennis, basketball, baseball, golf, and women’s basketball, tennis, volleyball, golf, soccer and softball.
