Mother Jones Chapter of the New American Movement Records, 1972-1977

.33 cu ft

SERIES I: The Working File, 1975-1977, consists of outgoing and incoming correspondence, minutes and agendas of their meetings, the constitution and draft constitution, handwritten notes, the one-year plan for the local chapter, and advertisements for activities sponsored by the Mother Jones Chapter of the New American Movement. The files are arranged chronologically whenever possible. Some notes are not dated. Of particular interest is the DES Action Group file which documents the problem and the group's early efforts to organize in the community.

SERIES II: The Reference File, 1975-1977, consists of publications from various NAM chapters, NAM convention papers, DES Action Group information, and assorted news clippings.
