

Corey Hoelscher, (at UIS since 2010), Assistant Professor of Mathematical Sciences, College of Liberal Arts and Science.

Department, College, and Campus Senate, Senate Committee Service:

Department of Mathematical Sciences Personnel Committee and Curriculum Committee (AY 2010-2011).

Candidate Statement:

If elected to the Senate, I would look forward to the opportunity to represent the College of Liberal Arts and Sciences. I would listen to the views of all CLAS faculty and use my best judgment to do what is best for CLAS and the University. As a graduate student, I served as the representative from my department in our graduate student council, and I enjoy serving in this capacity.
