WHEREAS, the Department of Public Health has proposed changes to its general degree and plans to add a concentration on environmental health in order to prepare graduates for careers in the area of public and environmental health;

WHEREAS, the Graduate Council approved their request at the meeting of April 2, 2007; and

WHEREAS, the Department of Environmental Studies is in the process of phasing out the Risk Sciences Option from the Environmental Studies MS curriculum;

THEREFORE, BE IT RESOLVED that the Campus Senate of the University of Illinois at Springfield hereby approve the curricular changes and the addition of a General and an Environmental Health Concentration to the MPH degree.
