WHEREAS, coursework in the Psychology Transpersonal Concentration is not available because the two faculty who were mainly responsible for the core courses are no longer in the program; and

WHEREAS, the concentration represents a specialized field of study and it is unlikely that faculty members with this specialty would be hired in the future; and

WHEREAS, no students will be affected by the elimination, since none have been enrolled in the concentration since AY 2003-04;

THEREFORE BE IT RESOLVED that the University of Illinois at Springfield Campus Senate approve the elimination of Personal/Transpersonal Concentration in Psychology.
