RECOMMENDATIONS FOR THE RECONSTITUTION OF THE INTERCOLLEGIATE ATHLETIC COMMITTEE

1. That the name of the committee be changed from the Intercollegiate Athletic Committee to the Intercollegiate Athletics and Recreation Committee. This change would reflect both an increased emphasis on recreational activities and the fact that both athletics and recreation are administered and funded as a unit.

2. That the Intercollegiate Athletics and Recreation Committee be given status as a University Assembly standing committee and that it be reconstituted as follows:

   Three faculty members appointed by the Faculty Senate (Three three-year terms staggered so that the initial appointments will be made for one, two, and three years.)

   Three students appointed by the Student Senate (one year term).

   Three staff members appointed by the Staff Senate (Staggered terms, one three year, one two year, one one year).

   Two administrators chosen by the President.

   One alumnus or community representative appointed by the Speaker of the Assembly.

   The Dean of Students, Vice President for Business and Administrative Services and the Director of Athletics and Recreation would be non-voting ex-officio members.

3. That the committee shall report on a regular basis to the Speaker of the Assembly who will disseminate report items to the chairs of the individual Senates when appropriate.

4. That the committee be charged with the following responsibilities:

   A. Review and development of policies regarding the administration of athletics and recreation of Sangamon State.

   B. Review and approval of schedules for intercollegiate athletic teams.

   C. Review of budgets for intercollegiate athletics and recreation.

   D. Review and development of policies regarding recruitment, eligibility, and personal relating to programs in intercollegiate athletics and recreation.

   E. Review and development of recreation programs appropriate to and adequate for the university community at Sangamon State.
