FACULTY SENATE RESOLUTION 25-8

A RESOLUTION ON THE LOWER DIVISION PROPOSAL

Be It Resolved by the UIS Interim Campus Senate to endorse the Lower Division Proposal.

Be It Further Resolved that the Senate recommends that the name of the new college be “Sangamon College.”

The Senate notes three areas of ongoing concern:

- The importance of student life issues to the success of this proposal
- The importance of adequate funding for this proposal
- Concerns about increased support for fine arts throughout UIS

The Campus Senate reaffirms that, as appropriate, actions stemming from these recommendations will be discussed and acted on through our established governance process.
