The **Career Development Center** at the University of Illinois at Springfield is proud to partner with Cambridge Educational Services to offer a series of **online** college test preparation courses. These **interactive** courses provide test taking skills and strategies.

Every course is based on the **Cambridge Six-Step Approach™** to test taking:

- Step 1:** Diagnostic Testing and Assessment Service
- Step 2:** Basic Skill Review
- Step 3:** In-Class Problem-Solving, Concepts and Strategies
- Step 4:** Practice Test Reinforcement
- Step 5:** Final Exam, Assessment Report and Review
- Step 6:** Personal Study Plan

Cambridge's Six-Step Approach™ has proven to help more than a million students reach and retain their potential by achieving **exceptionally high test scores**.

Courses are designed to be **simple** to participate in and are accessible 24 hours a day from any computer with internet access, allowing you to prepare on your own time.

Register Today!

ACT Review

Designed to help prepare you for the ACT, this online course provides a guided personalized plan that identifies your test taking strengths and offers helpful strategies to address your weaknesses. In addition to a complete review of tests by subject and question-type, the self-study course prepares you to maximize your performance on test day. An emphasis is placed on Cambridge's Six Step Approach™ to Score Improvements, which includes diagnostics testing, basic skills review, test taking strategies, practice test reinforcement, final exam and assessment report, and personal study plan.

SAT Review
