AGREEMENT ACKNOWLEDGING OWNERSHIP AND LICENSE RIGHTS OF COPYRIGHTED WORK

INSTRUCTIONS

AGREEMENT

1) Any information between fillable lines (4 on pg 1; 5 on pg 3) should be replaced with the appropriate descriptor throughout this agreement.

2) “Type of Course Materials” means the desired delivery method for the course. For example: On-line, Blended Curriculum, Traditional, etc.

3) “Name of Course” means the descriptor used in the course catalog to identify the course. For example: MGT 430, BUS 430, ECO 315, etc.

4) “Faculty Member Name” means the full name of the faculty member or members that will be developing the course materials.

5) “Author” is the reference used by the agreement to designate the faculty member(s).

6) “Conflict of Commitment and Interest” means the most current University of Illinois Policy on Conflict of Commitment and Interest. Agreements with external institutions regarding COURSE MATERIALS may require additional disclosure through the Report of Non-University Activities (RNUA).

APPENDIX A

7) “Title” of the course should include the course descriptor and the name of the course.

8) “Author(s)” means all faculty members identified in the Agreement.

9) “Originating Units(s)” include the name or names of all Colleges included in the Agreement.

10) “Version Numbers/Release Dates” includes new Agreements for updates to previous courses developed by the author, redesigned courses, courses with alternative/different release schedules, etc.

11) “Description/Specification” should provide enough information to identify the intended audience, a complete description of, etc. in enough detail for potential students and advisors to understand the relevance of the course for potential students.
