

## **The University of Illinois Alumni Association Seeks Student Leadership Award Nominations**

The University of Illinois Alumni Association is inviting members of the UIS community to nominate students for an award to recognize outstanding student leaders at the University of Illinois at Springfield. Nominees must be undergraduate, graduate, or professional students who have received their degrees in the summer or fall of 2006, or who are candidates for graduation in May 2007. Nominees should have demonstrated exceptional leadership through their involvement in campus and/or student organizations. Leadership might be exemplified through an officer or chair position OR through outstanding loyalty and commitment by a person whose actions inspire others. The leadership that is being recognized could have spanned an entire academic career or could be more limited in scope. Recipients will be honored by the Alumni Association at a program near graduation. The UIS Chancellor will present the award to these outstanding students. **The deadline for nominations is Wednesday, January 24, 2007.** Nomination forms can be picked up in the Student Life Office. To have a nomination form e-mailed to you, please call Student Life at 206-6665 or e-mail [studentlife@uis.edu](mailto:studentlife@uis.edu). If you have any questions about the program, please contact Mary Caroline Mitchell, Associate Director, University of Illinois Alumni Association, at 206-7395 or by e-mail at [mmitc1@uis.edu](mailto:mmitc1@uis.edu)
