These workshops are being held for students who are ready to learn about employment eligibility, campus employment, CPT and OPT. We will hold a short presentation and a question/answer session. Gale Kilbury, Career Development Center, will join us to discuss resumes, the job search and additional resources available.

Contact ISS at ISS@uis.edu or 217-206-6678 with any questions or concerns. These are the only employment workshops being held this semester.
