

## Significant Learning Experience

Use the following outline as a guide as you write about a significant learning experience.

Describe the concrete experience:  
What happened to start your learning?

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

How have you (or, can you) used what you learned from the experience (s)?

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

What did the experience mean?

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

What did you learn from the experience?

- \_\_\_\_\_
- \_\_\_\_\_

Following completing this outline, think about the following discussion questions:

- Which step was the "easiest" for you ? Why ? Most difficult ? Why ?
- What were the most challenging aspects of working with this outline ?
- What kind of support, resources, etc., would you need to work with this outline in the future ?
- Do you have other comments ?
