

THE POWER OF A U OF I MBA

Michael Dobbs, M.B.A. '10 (*projected*), **B.A. Accountancy '08**
Accountant, Department of Cancer Biology and Pharmacology
University of Illinois College of Medicine

Award: Recipient of the 2009-2010 Graduate Fellowship from Chicago-based FMC Technologies, Inc., honoring exemplary graduate students in business, engineering, or finance.

Role Model: High school GED grad determined to better his life. Enrolled in college while working and raising a family. Will use two degrees from UIS to pursue career in international business.

Why UIS: "Any help I needed to complete paperwork, guide me to the most beneficial courses, receive financial aid or any other needs I had, were met. The staff and professors are excellent and supportive."

Professional Philosophy: "People are capable of great things and with the right combination of leadership, inspiration and resources will break down barriers and improve the world in which we all share."
