Since the Board of Trustees (BOT) did not approve changes in tuition rates for Summer 2009, tuition amounts for the summer semester are consistent with those assessed for Spring 2009.

The guaranteed amounts for students entering Summer 2009 are the same as the guaranteed amounts for students who entered during the prior year.

In Fall 2009, tuition rates will be updated for all necessary categories appropriately (assuming the BOT approves tuition rates to be effective starting Fall 2009).

E-Tuition:

UIS has a special tuition rate that applies only to online courses. This rate is termed "electronic tuition," or simply "E-tuition." The following students will qualify for E-tuition:

- ▶ All non-residents of Illinois who have applied and been admitted as a degree-seeking student in an online program and take only online courses.

Non-residents of Illinois who do not meet the criteria itemized in the second point above are charged out-of-state tuition rates when they enroll in online courses. For the Summer 2009 semester, the E-tuition rates are:

Undergraduate (Non-guaranteed)	\$229.25 per credit hour
Undergraduate (Non-guaranteed SM04, FL04, SP05)	\$160.00 per credit hour

Mandatory Fees/Assessments:

These fees are charged to all students, whether they plan to benefit from the fees or not.

Full-time Students (Enrolled in 6 or more hours)	\$457.25 plus \$5 per credit hour
--	-----------------------------------

Part-time Students (Enrolled in less than 6 hours) \$393.75 plus \$5 per credit hour

All full-time and part-time students are charged the mandatory fee amounts above.

- ▶ Exception 1: Online Program Students (those individuals who have been fully admitted to an online degree program and are enrolled in only online courses) pay \$9.75 plus \$5 per credit hour. In addition, Online Program Students admitted or reactivated Summer 2007 or thereafter will also be assessed an Online Student Services Fee of \$66 (part-time) or \$132 (full-time). Note: The Online Student Services Fee for Online Program Students will be assessed based upon total enrollment hours, regardless of course delivery method. Online Program Students not enrolled in 100% online courses **WILL BE ASSESSED REGULAR FULL-TIME OR PART-TIME FEES.**
- ▶ Exception 2: Students participating in the Senior Learner Program do not pay mandatory fees or assessments, but do pay a non-refundable \$40 Senior Learner Fee, in addition to the \$2 Student-to-Student Grant Fee, and all course related fees.

All full-time and part-time students are charged the Student Insurance Fee (this \$131 amount IS reflected in the mandatory fee amounts above).

- ▶ Exception: Students who are enrolled in only online courses will not be eligible for insurance coverage and will not be assessed the fee.
- ▶ Note: The insurance amount is subject to change pending new contract.

All full-time and part-time students are charged the Student-to-Student Grant Fee (this \$2 amount IS reflected in the mandatory fee amounts above). This fee provides financial support to undergraduate and graduate students who demonstrate high financial need. The fee has been included in the mandatory fee amounts listed above because it is assessed each term. However, it may be waived if requested. For Summer 2009, the waiver must be requested between June 1 and June 26 at the Bursar's Office.

All full-time and part-time students are charged the Campus and Library Technology Assessment (this \$5 per hour charge IS reflected in the mandatory fee amounts above).

All full-time and part-time students admitted or reactivated in Summer 2006 and thereafter, as well as those undergraduate students paying the non-guaranteed tuition rate, are charged the Academic Facility Maintenance Fund Assessment (this \$9.36 per hour charge is NOT reflected in the mandatory fee amounts above).

- ▶ Exception: Online Program Students (those individuals who have been fully admitted to an online degree program and are enrolled in only online courses) are not charged this assessment.

E-Bills:

The University no longer mails paper billing statements to currently enrolled students. You will receive E-Bills. E-Bills are online student billing statements that display the same information as traditional paper billing statements. E-Bills are a feature within UI-Pay, the online student billing and payment system.

Each month you will receive an e-mail notification to your official University e-mail address that your e-bill is available. To view E-bills, login to UI-Integrate Self-Service site at: <https://apps.uillinois.edu/selfservice/index.html>. To view current activity of your student account, select "Account Billing Information", select "E-Bill", select "View Accounts", and select "Current Statement."

For more information about E-Bills, please go to: <http://www.usfsc.uillinois.edu/billing.html#ebills>.

For more information about billing, due dates, or payment methods, please go to: <http://www.usfsc.uillinois.edu>.

Payment Methods:

You must pay your bill in full by the due date on your original statement. A Late Payment charge of 1.5% (subject to change) per month, is assessed on all past due balances. At any point in the semester, a student who has a past due account exceeding the dollar limitation may not be permitted to register for further classes. If you are in debt to the University, you are not entitled to receive either a diploma or an official transcript.

Credit card (Discover, MasterCard, and American Express only) payments are only accepted online through UI-Pay system. To make an online payment: logon to the UI-Integrate Self Service site at <http://apps.uillinois.edu/selfservice/index.html>, select "Account Billing Information", select "E-Bill", select "Make Payment." A 2.40% convenience fee is assessed at the time of payment when paying with credit card. There is no additional fee assessed using the e-check option. A new Pre-payment Plan option is now available. For details and enrollment deadlines, visit our website at <http://www.usfsc.uillinois.edu/prepaymentplan.html>.

Regardless of the payment plan selected, financial aid disbursements will be applied to all allowable charges due from the student, including but not limited to, tuition, fees, housing, and any financial aid advances in the form of a short term loan for the current period of enrollment. UIS reserves the right to require payment of all charges at the time they are incurred.

If you make no payment at all and then withdraw from UIS, you are liable for the full amount of tuition and fees originally assessed, less applicable credits to the account, according to the Board of Trustees policy.

Students will be held responsible for paying all attorney's fees and other reasonable collection costs and charges necessary for the collection of any tuition, fees, and/or other charges assessed by the University that are not paid when due.

For more information about the University billing, payment options, and due dates, visit our website at: <http://www.usfscu.uillinois.edu>.
