- (1) All Illinois residents automatically qualify for the e-tuition rate.
- (2) An individual who is not a resident of Illinois, but who has applied and been admitted to an online degree program at UIS and who only takes online classes in a given semester, qualifies for the e-tuition rate.

Non-residents of Illinois who do not meet the criteria itemized in (2) above are charged out-of-state tuition rates when they enroll in online courses. For the Fall 2003 semester, the e-tuition rate is:

**STUDENT-TO-STUDENT GRANT:** This fee provides financial support to undergraduate and graduate students who demonstrate high financial need. The fee is assessed each term but may be waived if requested. For Fall 2003 the waiver must be requested in person at the Bursar's office (PAC 184) between August 21 and September 5, 2003.

**Payment Methods Beginning Fall 2003 Semester**

You may choose to pay your bill in full by the due date on your original statement or you will automatically be placed on the installment plan for tuition, fees, and housing (not applicable to Lincoln Residence Hall). The installment plan and due dates are listed on the original statement. If you do not pay your entire balance in full by the due date, you will be placed on the installment plan for the eligible charges. The installment plan has a one-time deferment charge of 1.5% or minimum of \$5 (subject to change) on the amount deferred. These charges are payable in three installments for the Fall and Spring semesters and two installments for the Summer semester.

The charges eligible for the installment plan are payable in three installments for the Fall 2003 semester; the first installment is due by September 23, 2003, and the remaining installments are due by October 22, 2003, and November 24, 2003. An installment payment becomes delinquent on the first day of the month following the date payment was due.

A delinquent service charge of 1.75% or a minimum of \$5 (subject to change) is added per month to past due charges. The delinquent service charge is applied to all items charged to the student account that are past due.

At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may not be permitted to register for further classes. If you are in debt to the University you are not entitled to receive a diploma or an official transcript.

Credit and debit card payments are no longer accepted at the Bursar's office. UIS accepts credit and debit cards online at [www.uis.edu/studentaccounts](http://www.uis.edu/studentaccounts) (a 2 % convenience fee will be charged for this service). Regardless of the payment plan selected, financial aid disbursements will be applied to all allowable charges due from the student, including, but not limited to, tuition, fees, housing, and any financial aid advances in the form of a short term loan for the current period of enrollment. UIS reserves the right to require payment of all charges at the time they are incurred.

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all and then withdraw from UIS, you are liable for the full amount of tuition and fees originally assessed, less applicable credits to the account, according to the Board of Trustees policy.

Students will be held responsible for paying all attorney's fees and other reasonable collection costs and charges necessary for the collection of any tuition, fees, and/or other charges assessed by the University that are not paid when due.
