E-tuition

UIS has implemented a special tuition rate that applies only to online courses. This rate is termed "electronic tuition," or simply "e-tuition." E-tuition is applied as follows:

- (1) All Illinois residents automatically qualify for the e-tuition rate.
- (2) An individual who is not a resident of Illinois, but who has applied and been admitted to an online degree program at UIS and who only takes online classes in a given semester, qualifies for the e-tuition rate.

Non-residents of Illinois who do not meet the criteria itemized in (2) above are charged out-of-state tuition rates when they enroll in online courses. For the Fall 2004 semester, the e-tuition rate is:

Undergraduate (New): \$ 133.50 per credit hour
Undergraduate (Continuing): \$ 124.25 per credit hour
Graduate: \$ 140.00 per credit hour

MANDATORY STUDENT FEES: are charged to all students, whether they plan to benefit from the fees or not.

STUDENT-TO-STUDENT GRANT: This fee provides financial support to undergraduate and graduate students who demonstrate high financial need. The fee is assessed each term but may be waived if requested. For Fall 2004 the waiver must be requested between August 19 and September 3 at the Bursar's Office.

PAYMENT METHODS: You may choose to pay your bill in full by the due date on your original statement or you will automatically be placed on the installment plan for tuition, fees and housing. The installment plan and due dates are listed on the original statement. If you do not pay the entire balance in full by the due date, you will be placed on the installment plan for the eligible charges. The installment plan has a one-time deferment charge of 1.5% on the amount deferred. These charges are payable in three installments

for the Fall and Spring semesters and two installments for the Summer semester. An installment payment becomes delinquent on the first day of the month following the date payment was due.

A delinquent service charge of 1.75% (subject to change) is added per month to past due charges. The delinquent service charge is applied to all items charged to the student account that are past due. At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may not be permitted to register for further classes. If you are in debt to the University, you are not entitled to receive either a diploma or an official transcript.

Credit and debit card transactions are no longer accepted at the Bursar's Office. UIS accepts credit and debit cards online at www.uis.edu/studentaccounts (a 2% convenience fee will be charged for this service). Regardless of the payment plan selected, financial aid disbursements will be applied to all allowable charges due from the student, including, but not limited to, tuition, fees, housing, and any financial aid advances in the form of a short term loan for the current period of enrollment. UIS reserves the right to require payment of all charges at the time they are incurred.

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all and then withdraw from UIS, you are liable for the full amount of tuition and fees originally assessed, less applicable credits to the account, according to the Board of Trustees policy.

Students will be held responsible for paying all attorney's fees and other reasonable collection costs and charges necessary for the collection of any tuition, fees, and/or other charges assessed by the University that are not paid when due.
