The amounts listed below are accurate but are **SUBJECT TO CHANGE** without advance notice. Regular tuition, fees, and assessments are charged for courses taken as audit. The tuition, fees, and assessments listed below are an estimate. Actual costs are determined when a student registers for classes each semester and are based on factors such as student level, residency, credit hours, and miscellaneous course fees.

E-Tuition (Online Program Tuition, Fees, and Assessments):

UIS has a special tuition rate that applies only to online courses. This rate is termed “electronic tuition,” or simply “E-tuition.” The following students will qualify for E-tuition:

- All Illinois residents who have applied and been admitted as a degree-seeking student in an online program and take only online courses.
- All non-residents of Illinois who have applied and been admitted as a degree-seeking student in an online program and take only online courses.

Non-residents of Illinois who do not meet the criteria itemized in the second point above (e.g., are not admitted to an online program or take non-online course(s) while in an online program) will pay non-Illinois resident rates for all courses.

Students in an online program who do not meet the criteria itemized in the points above (e.g., are not admitted to an online program or take non-online course(s) while in an online program) will pay the mandatory fees and assessments charged to students who are NOT in an online program. For these fee and assessment rates, please see Undergraduate Tuition, Fees, and Assessments or Graduate Tuition, Fees, and Assessments.
