- President – A. Rook:

Reminded everyone that SGA is a co-sponsor for the etiquette dinner. The date is still tentative, possible in March. but it is a really good event. It is usually about \$10 per person and you get to learn a lot of etiquette pointers while there. Steven Black and President Rook are still working on transportation. Both had a meeting with Marque Hauptert and John Ringle over break. They still in the process of working out the kinks and making sure everyone had equal access. Encourage students to sign up for RAD classes. The trip to COSTGA has been fully funded by Student Affairs and we are extremely thankful. Met with Chief Mitchell about adding information on stalking to the website. It is set to include the legal definition of stalking. Also, met with the Lincoln Land SGA about transportation

issues and it seems that both campuses are experiencing the same issues. Thanked everyone for a really great semester and their productivity.
