All students physically participating in classes on campus are required to purchase this Insurance Plan unless proof of comparable coverage is provided. To waive the Student Health Insurance, you must complete the online waiver by the absolute deadlines of September 27, 2013 for the Fall Semester and February 28, 2014 for Spring Semester. It is highly recommended that you complete the online waiver by September 1, 2013 (Fall) and January 25, 2014 (Spring) to decrease confusion when insurance cards are issued.

A student must actively attend classes for at least the first 31 days after the date for which coverage is purchased unless he or she withdraws from classes due to an Injury or Sickness and the absence is an approved medical leave. Home study, correspondence, Internet classes and television (TV) courses do not fulfill the eligibility requirements that the student must actively attend classes.
