Speakers

College of Business and Management
Joy Roberts - Academic Advisor
Erin Sotelo - Academic Advisor
Jorge Villegas - Associate Dean
The College of Business and Management is AACSB accredited.

AACSB connects educators, students, and business to achieve a common goal: to create the next generation of great leaders.

Less than 5% of the world's 13,000 business programs have earned AACSB Accreditation.
Membership in Beta Gamma Sigma is the highest recognition a business student anywhere in the world can receive in a business program accredited by AACSB International.
SAM gives you the opportunity to network, learn, & grow professionally. We invite all Business, Finance, Accounting, MIS, HR, Management, and any other similar majors to join SAM at UIS.

Accolades:

2018 Winner of the National Case Competition in Washington, DC
2019 Winner of the Student Organization of the Year
2020 Winner of eight awards in the 4th International Collegiate Business Skills Championship
Advising

Students in the college count with the help of professional staff who is here to help you reach your academic goals as effectively as possible.

Students can continue their educational journey in our graduate programs

- MA in Accountancy
- Master in Business Administration
- MS in MIS
- Earn as you learn
  - Students can apply for programs such as
    - Graduate Assistantship: Provide graduate-level learning experiences through supervised assignments while earning your master’s degree. Reduced tuition makes acquiring your master’s degree economical
    - Graduate Public Service Internship: Students enrolled in this program intern for a state agency receiving significant tuition discount and stipends.
