

Invest in UIS

Annual Faculty & Staff Campaign

Information on the Annual Faculty and Staff Campaign:

- The Faculty and Staff Campaign is in full force during the month of March each year, when we emphasize the importance of private support and promote employee giving.
- Through the Faculty and Staff Campaign, we invite all UIS employees to show their support for UIS. **Any gift in the fiscal year to any gift fund at UIS, in any amount counts as participation in the campaign.**
- The campaign helps to build on our established tradition of employee giving, offering recognition to all who participate.
- We kick off the Faculty and Staff Campaign with an event on Thursday, February 28 from Noon -1:30 pm, in the Student Union. It's a lot of fun – don't miss it! This year, our theme is **The Greatest Show: Take UIS Over the Top** which will feature a circus theme.
- The Campaign is led by a 11-member council and is carried out by more than 40 volunteer ambassadors.
- All types of annual gifts are accepted, including checks; payroll deduction; credit card; and in-kind gifts such as art, books, supplies, etc.
- In addition to helping raise funds for UIS, the Annual Faculty and Staff Campaign helps educate employees about what the Advancement Office does, special needs of units on campus, etc.
- At the end of the year, we print an alphabetical list of all employees who have participated, but employees may remain anonymous if they prefer.
