WHEREAS, there have been several proposals to transfer, consolidate and delete programs discussed on this campus for several months, and

WHEREAS, the Campus Senate has enacted a policy (Resolution 28-6) to govern such consolidations and deletions, and

WHEREAS, pursuant to Section II, Informal Review, of said policy, the Executive Committees of the Colleges, the Campus Planning and Budget Committee, the Graduate Council and the Undergraduate Council have reviewed the appropriate aspects of the proposals, and

WHEREAS, following such reviews the various committees have notified the Campus Steering Committee that all proposals for consolidation and deletion have been approved by all Committees.

BE IT HEREBY RESOLVED, that the Campus Senate approves the following transfers, consolidations or deletions:

Program Deletions and Consolidations

Consolidation of the M.A. in child, family, and community services and the M.A. in gerontology and redesignation of the new degree as the M.A. in human services.

Elimination of the M.A. degree in community arts management, College of Public Affairs and Administration (with establishment of a concentration in community arts management in the public administration M.P.A. program).

Transfer of authority to offer the bachelor of sciences in nursing (B.S.N.) degree from the University of Illinois at Springfield to Southern Illinois University - Edwardsville.

Elimination of the B.A. degree in health services administration, College of Public Affairs and Administration.

Consolidation of the economics M.A. program curriculum, with appropriate changes, and its faculty with the new college-wide M.B.A. program in the College of Business and
Management.

Creation of the Department of Public Administration, consisting of the M.P.A. program and the D.P.A. program.

College-to-College Transfers

Transfer of the public affairs reporting M.A. program from the College of Liberal Arts and Sciences to the College of Public Affairs and Administration (to affiliate administratively with the political studies program).

Transfer of the public health M.P.H. program from the College of Health and Human Services to the College of Public Affairs and Administration.

Transfer of the sociology/anthropology B.A. program from the College of Health and Human Services to the College of Liberal Arts and Sciences.

BE IT FURTHER RESOLVED, that the administration follow the policy established in Section V of the Program Consolidation, Deletion and Suspension Resolution to minimize the negative impacts of these changes; that the administration shall renew its efforts to secure additional funding; and that the administration, faculty, and staff shall renew their efforts to increase student enrollment and obtain other resources necessary to expand the Campus in the future and to strengthen degree programs.
