Section 1. This resolution revises the Bachelors Degree and Master’s Degree graduation requirements at the University of Illinois at Springfield.

Section 2. Students pursuing an undergraduate degree or graduate degree are not required to pass an examination on the basic principles, documents, and practices of the governments of the United States and the State of Illinois, or to take specific approved course in lieu of this examination requirement.

Section 3. This resolution eliminates the Constitution test as a campus-wide requirement for undergraduate and graduate students. It does not reduce or add to the specific curriculum requirements of any degree program.

Section 4. The Graduate and Undergraduate Councils are charged with the responsibility of studying alternative means for promoting democracy, informed citizenship, knowledge of government and an understanding of the United States and Illinois Constitutions throughout the curriculum and colleges and programs are encouraged to join in this effort.

Section 5. This resolution shall go into effect as soon as it is approved by the Campus Senate.
