UNIVERSITY OF ILLINOIS AT SPRINGFIELD
CAMPUS SENATE AY 2002/2003
RESOLUTION 32-19

Resolution Regarding Lowering the Number of Transfer Hours for Admission to UIS

Section I.

This bill lowers the number of credit hours for admission of transfer students to UIS from 45 to 30. These students shall be required to have completed a minimum of one course in English composition as a condition of their admission. All other requirements remain the same.

Section II.

The Office of Admissions and Records will monitor admissions of transfer students with less than 60 hours and close admissions if their FTE enrollment approaches capacity levels in general education courses.

The Office of the VCAA will monitor and compare the progress of transfer students admitted with 30 hours to transfer students admitted with 45 hours and will make an annual report to the Campus Senate on their progress.

Colleges should consider developing advising mechanisms (using either faculty or AP's) for students without majors.
