UA BILL 15-9

A BILL TO ESTABLISH POLICY ON TIME LIMITATION FOR GRADUATE DEGREE COMPLETION

All graduate credits earned at SSU to be applied toward degree completion must be taken within six consecutive years from the student’s first graduate course taken at SSU in pursuit of that degree. Excluding transfer credit earned before the first term of graduate attendance and credit granted for prior learning, a student must fulfill all the requirements for the degree within a six consecutive year time period unless the program grants a leave of absence. This time limit includes all SSU graduate course-work taken in pursuit of that degree as well as closure requirements. Exceptions to the provisions to this policy may be granted by degree-granting programs on a case-by-case basis.
