U. A. BILL 22-3

GENERAL EDUCATION POLICY

I. STUDENTS COVERED BY THE POLICY
All undergraduate degree-seeking students without an associate in arts or associate in science transfer degree from an Illinois community college must satisfy the general education requirements of SSU if these were not completed elsewhere.

II. GENERAL EDUCATION REQUIREMENTS:
Students must complete the following general education requirements totaling a minimum of 39 semester hours:
- English (two courses, one of which is in Composition) At least 6 semester hours
- Humanities (two courses) At least 6 semester hours
- Social Sciences (two courses) At least 6 semester hours
- Math (one course) At least 3 semester hours
- Science (with one lab course) At least 6 semester hours
- Additional courses selected from the subject areas above At least 12 semester hours

III. PROCEDURES:
A. English composition must be completed before admission to SSU. Other general education requirements may be met after admission.
B. Students cannot count the same course toward fulfillment of the PAC/LSC requirement and toward their general education requirement.
