General Description of agency or business
Cook-Witter, Inc. is a government relations firm that represents organizations in health care, banking, manufacturing, real estate, transportation, revenue, local government and agriculture. In 2015, Cook-Witter, Inc. celebrated its 30th year in business and has a long tradition of success with a focus on ethical advocacy.

Internship Description
The internship program at Cook-Witter, Inc. involves assisting staff in the process of researching, evaluating, and crafting legislative strategies. During this process, interns actively participate in regular meetings with clients, legislators and state officials.

Basic student learning anticipated
As an intern at Cook-Witter, Inc., students will gain real world experience regarding the intersection of government and public affairs. Interns will be equipped with the knowledge and experience needed to become effective advocates in the lawmaking process.

Hours & Number of Weeks
Our preference is for students who have flexible class schedules and are available on days that the General Assembly is in session from January through May. A stipend is provided to students for each day in the office.

Position Available: Spring semester, with possible availability in summer
