General description of agency or business
Insurance Partners is a small insurance agency with the mission to provide the highest level of service and quality products possible and to do this at the best possible price.

Internship or Job Description
Students will complete administrative duties, work on business plans/strategies, and assist the marketing director. Other specific responsibilities can be tailored to fit the student’s interests and learning preferences.

Students should have an interest in finance or insurance and be able to communicate professionally.

Basic student learning anticipated
Working in a smaller agency, students can expect to gain experience in many areas: administration, management, business planning, marketing, sales, networking, and advertising/media relations.

Hours per week: Up to 20

Number of weeks: 8-16

Position Available: Fall, Spring, Summer
