Internship or Job Description- Top 10 Internship Opportunity!!!!!!!!
Interns with Northwestern Mutual’s network office in Springfield get real life, client facing experiences. They get to test drive what it feels like to build client relationships and a financial services practice. Interns receive extensive training and development and get hands on experiences, all with the chance to earn a fulltime opportunity upon graduating college.

In fact, the Northwestern Mutual internship program was named a Top Ten Internship by Vault, Inc. for 22 straight years (Vault Guide to Internships, 2018 Edition).

Benefits include but are not limited to:

- Practical guidance in your career selection process
- The chance to develop networking and business relationship skills with the help of a mentor
- Flexible work schedule
- Securities registration and state licenses for life, health and accident insurance
- Compensation in the same manner as a full-time financial representative
- An opportunity to try out or get a head start on a career as a financial representative
Our internship program is more about developing people than selling products. You will learn what it takes to be successful, while sharpening your skills in communications and marketing to help build personal and professional self-confidence. You will also discover the rewards that come from helping others as you bring a full-service approach to your clients’ needs and provide guidance and solutions that will have a positive impact on families and businesses for years to come.
