

Parental Notification Policy

- The University of Illinois at Springfield is committed to providing a safe campus environment that enhances student learning and development.
- The campus acknowledges the important role of parents in supporting and facilitating their son's or daughter's success in college.
- In accordance with federal law, the UIS administration may notify a student's parents of the student's violation of federal, state, or local law, or of any rule or policy of the University regarding the use or possession of alcohol or a controlled substance, if the student is under age 21 at the time of the notification and if UIS has determined that the student has committed a disciplinary violation.
- The decision to give parental notification will be based on factors such as the student's prior judicial history, the severity of the alleged incident, and other relevant circumstances.
