The General Education Council voted on holding an extra meeting to finish the discussion and vote on the changes to the ECCE Global Awareness Criteria.

Discussion was held on the language of the Power Inequalities portion of the criteria. Kay McChesney motioned to accept the category with the change in language from inequalities to inequities in the title and body of the paragraph. Otherwise all language stays the same.

Steve Schnebly seconded the motion. There was more discussion and the word explanation was removed in several paragraphs, then the vote was unanimously approved 8-0.

Deb Ply then asked if we could add age to the list of inequities in the paragraph. All 8 members agreed.

The entire criteria will be posted on the General Education website for fall 2016 when new courses are presented.

The meeting was adjourned 3:55 p.m. The next meeting will be held September 12, 2016.

Respectfully submitted,

Deb Ply
