3. Courses Reviewed

SOA 420: ECCE: American Music (TABLED)

Council wants to know why the instructor decided on the 400 level. It began as a 200 level course then went to a 300 and ended up a 400 level course. What level did Sharon really want it to be? The Chair is to go to Sharon Graf to find out what level it should be at before it can be approved.

It was also suggested that this course go up on undergraduate education website as a model.
