_____

_____

_____

_____

_____

_____

Allergies

Please list any allergies that you may have:

_____

_____

_____

Medical history

- Before receiving an injection, I will ask questions of the provider if I have any. ☐
- I will inform the provider of any allergies BEFORE receiving the vaccine. ☐
- I do not have a fever greater than 100 degrees Fahrenheit or 37.8 Celsius today. ☐
- I have received and read the Vaccine Information Statement on the Meningitis vaccine, Menactra, including contraindications and side effects. ☐
- I understand that taking immunosuppressive therapies including radiation, antimetabolics, alkylating agents, cytotoxic drugs and corticosteroids may reduce the immune response to Menactra. ☐
- I understand that, as with any vaccine or drug, there is a possibility, however remote, that serious allergic reactions or even death could occur. ☐
- I understand that a history of allergic reactions to diphtheria toxoid or Menactra is a contraindication to vaccine administration. ☐
- I understand that I should report any adverse reactions to Health Services at (217) 206-6676. ☐
- I am not pregnant or breastfeeding. ☐
- I believe I understand the benefits and risks of the vaccine(s) and request that it be given to me. ☐
- I agree to remain in the Health Services Clinic for 15-20 minutes following injection to be observed for any sign of adverse reaction. ☐
