University of Illinois Springfield
Health Services
Coronavirus Disease (COVID-19) Symptoms

Students presenting the following symptoms:

- runny nose
- headaches
- cough
- difficulty breathing
- sore throat
- fever
- feeling unwell or fatigued

Has not traveled in the past 21 days:

SCHEDULE AN APPOINTMENT AT HEALTH SERVICES

Any student presenting with flu-like symptoms and **has not traveled in the past 21 days** can come to Health Services.

Have traveled in the past 21 days:

CALL HEALTH SERVICES FIRST

Students that **have traveled in the past 21 days** and have symptoms then they **call Health Services**. Health Services will call the local ER and Public Health Department to arrange for the student to be tested. No one is to go to the ER unless Public Health has been contacted.
