

ICPEA Minutes
Tuesday, October 19, 2004
IPA Conference at the Hilton in Springfield

1:00-4:00: ICPEA Fall Conference:

- ✧ Dr. Norm Durlinger provided an update on the work of IL-SAELP. The two main areas IL-SAELP is focusing on are:
 - Principal/Superintendent preparation: What are we doing well? What needs help? Would like to use ICPEA as a catalyst for improving principal/superintendent preparation.
 - Improving Administrator Academy and professional development programs for administrators focused on data-driven decision making.

Discussed upcoming IL-SAELP Consortium on February 10 at ISU Bone Center. Every preparation program in Illinois would be asked to send representatives to share information about their program.

- ✧ Dr. Randy Dunn, Interim State Superintendent of Schools, updated ICPEA members on the work of ISBE.
- ✧ Learning and Advocating through the Internship Study - Preliminary Results and Next Steps
 - Background for the study - Maggie Noe, Linda Morford, Jenny Tripses
 - Results of the study - Dean Halverson and Susan Philhower
 - Members discussed the next steps of this project.

3:30- 4:00 p.m. Break

4:00-5:00 p.m. Business meeting
Old business

- Communications (newsletter, website, list serve): Dr. Tripses appointed Maggie Noe as ICPEA Communications Director to allow Maggie to get the web site up and going. Send Maggie information for the web site.
- Members discussed ongoing collaboration with IASB. Members suggested starting the same type of collaboration with IPA.
- Members expressed interest in receiving information on new NCATE process.
