## ATTORNEY CASE REFERRAL FORM

The Illinois Innocence Project (IIP) is a non-profit legal organization providing legal assistance to inmates in the State of Illinois who seek to prove actual innocence of the crime for which they are currently incarcerated. The IIP is the recipient of the Kirk Bloodsworth's Grants, providing funding for DNA testing. The IIP also offers investigative services for those candidates who do not qualify for DNA testing but still present themselves as strong candidates of wrongful conviction. If you wish to refer a case to the Illinois Innocence Project, please fill out the form below and submit it to this office.
