New school song

BY ANITA STIENSTRA

The University of Illinois at Springfield passes another milestone as a new school spirit song has been commissioned and will be presented for the first time by the UIS Concert Band with the composer, Dr. William Davis, in attendance. The Chamber Orchestra also performs, a slide show of the campus' past will be shown, and the winning lyrics to the spirit song from a recent contest will be performed by the UIS Chorus. Community musicians are invited to join UIS musicians in UIS music ensembles. Rehearsals for the spring semester begin January 18, 2011. Those interested should phone 206-6240 or visit uis.edu/music.
