Dear Students, Faculty, and Staff,

You are invited to attend a virtual presentation on upcoming changes to Parking Operations. Our presentation will cover the specific changes on the horizon as well as the reasoning behind those modifications.

Just a few of the items you will hear about are:

- Fee choices. A new tiered fee structure in which fees are based upon the location of the parking lot.
- Kiosk stations. A convenient and secure way for visitors to pay for parking.
- PERKS. Your opportunity to participate in a new parking concept at UIS - the Personal Exclusive Reserved “Kar” Space.

We will conduct two presentations, each about 30 minutes in length. If you are unable to attend either session, a recorded presentation will be available by April 1 on the Parking website at www.uis.edu/parking.

Join us for one – or both – sessions. Please note that Zoom has limited capacity so join early to secure your spot.
