STUDENT RESPONSIBILITY

Students are responsible for knowing and adhering to the policies, deadlines, and procedures contained in the catalog and current policies and registration information booklet. Students may receive credit only for those courses for which they are properly registered and will assume academic and financial responsibility for any course for which they register unless they officially cancel registration according to the established deadlines. Students receiving financial assistance must contact the Office of Financial Assistance PRIOR to dropping a course or withdrawing from the University to determine the effect on the student's financial aid award for the semester. Please refer to the catalog for more information on the consequences of dropping or withdrawing.

All withdrawals from courses must be made using Student Self-Service (www.uis.edu/registration). Non-attendance or non-payment does NOT constitute an official withdrawal. Students who change sections, add, and/or drop will be charged full tuition and fees for every transaction according to the date, as listed below.

The date you officially drop/withdraw will affect the amount you owe and/or the amount to be refunded and may affect the grade on your transcript. A course officially dropped after the add/drop period will have a grade of “W” on the transcript. A failing grade will be assigned and calculated in the grade-point average for courses not dropped by specified deadlines. ONLY the individual student may make changes to his/her class schedule. For more information, contact Registration at (217) 206-6174.

◆ A grade of W will be recorded on the transcript for courses dropped after these dates.

Students enrolled in more than one course who eventually drop all courses, but in more than one time period, are charged at the higher rate for all courses.
STUDENT RESPONSIBILITY
Students are responsible for knowing and adhering to the policies, deadlines, and procedures contained in the catalog and current policies and registration information booklet. Avoid potential enrollment problems by reading the various publications carefully. Students may receive credit only for those courses for which they are properly registered and will assume academic and financial responsibility for any course in which they register unless they officially cancel registration according to the established deadlines.

NON-PAYMENT AND NON-ATTENDANCE DO NOT CONSTITUTE AN OFFICIAL WITHDRAWAL. Students receiving financial assistance must contact the Office of Financial Assistance prior to dropping a course or withdrawing from the University to determine the effect on the student’s financial aid award for the semester. Please refer to the “Drop/Withdrawal Policy” for more information on the consequences of dropping or withdrawing.

ADMISSION
Degree Seeking Students:
First-year undergraduate students with a strong record of academic achievement who have completed less than 12 hours of college credit after graduation from high school may apply for admission as a freshman. Students must submit high school transcripts, ACT/SAT scores, and a personal statement. Applications are accepted starting September 1 of the year prior to entry into the program, and new students may begin classes in any semester. In addition to general freshman applicants, UIS has an Honors Program that is a selective program and enrolls about 100 students each year. Students interested in the Honors Program will submit the same application as the freshmen, but may be asked to supply additional credentials. Honors students may begin classes only in the fall semester.

Undergraduate transfer students with 12 or more semester hours may apply for admission. Students who have earned less than 30 semester hours must submit the same credentials as students seeking admission as freshmen (including official college transcripts). Students who have completed 30 or more transferable hours must submit official transcripts from all colleges and universities attended. Remedial and developmental courses are not applicable to admission requirements (see “General Education Information”). Applications are accepted on a rolling basis, and new on campus transfer students may begin classes in any semester.

Graduates of regionally accredited Illinois community colleges holding an Associate of Arts, Associate of Science, or Associate of Arts and Science transfer degree may be admitted as juniors. Graduates of Illinois community colleges holding these degrees are considered to have met all general education requirements. An official transcript from each college and/or university attended must be submitted directly to the Office of Admissions. Graduate students must apply to UIS and have official transcripts and any required test scores submitted to the Office of Admissions. Admission to graduate study may be granted to students who have earned a baccalaureate degree and who have met all specific program requirements and prerequisite courses.

Non-Degree Seeking Students:
Students must complete an application and submit it to the Office of Admissions. The undergraduate non-degree student will be asked for clarification of his/her status before exceeding 16 hours; the graduate non-degree student before exceeding 12 hours.

Contact Admissions at 217/206-4UIS (4847) or 888/977-4UIS (4847) for more information.

EMERGENCY WEBSITE INFORMATION
In the event that the UIS website is temporarily unavailable due to an unavoidable emergency, students should go to http://www.illinois.edu/uis to view the emergency website for the campus.

ENROLLMENT TIME STATUS/VERIFICATION INFORMATION
Students are classified into various time status categories based upon the number of hours in which they are enrolled for a particular semester. Effective Fall 2010, in the fall and spring semesters a student is considered to be full-time if enrolled in 12 credit hours (undergraduate) or 9 (graduate), half-time if enrolled in 6-11.99 credit hours (undergraduate) or 5-8.99 (graduate), and less than half-time if enrolled in .01-5.99 (undergraduate) or .01-4.99 (graduate). For summer, both undergraduate and graduate students are considered to be full-time if enrolled in 6 credit hours, half-time if enrolled in 3-5.99 credit hours, and less than half-time if enrolled in .01-2.99 credit hours. Students with questions regarding time status or enrollment verifications should contact Records at 217/206-6709.

EVALUATION OF FACULTY ORAL ENGLISH PROFICIENCY
As required by state law and UIS policy, students are asked to evaluate their instructors on oral English proficiency in the classroom. Procedures call for this evaluation to occur twice during the semester.

FINAL EXAM SCHEDULE
Final exams at UIS are scheduled during the last week of the semester. Please consult the following website for the specific dates and times of your final exams: www.uis.edu/registration (click on the “Final Exam Schedules” link). If a specific class is not included in the list, ask your course instructor for the time and place of the exam.

FINANCIAL ASSISTANCE
Financial Assistance coordinates federal, state, institutional, and private financial aid programs for all students. Assistance is available in the form of grants, tuition waivers, assistantships, scholarships, loans, part-time employment, and veteran benefits. Deadlines apply. FINANCIAL ASSISTANCE FUNDS CANNOT PAY FOR AUDITED CLASSES. For more information, please visit the office website at www.uis.edu/financialaid, or call 217/206-6724.

Scholarships: Check out the UIS Scholarship website at www.uis.edu/financialaid/scholarships to see if you may qualify for one of approximately 100 scholarships available to UIS students each year.

Student Employment: Part-time employment opportunities exist for students continuously enrolled in six or more credit hours. Employment opportunities are posted on CareerConnect. All current UIS students are automatically registered for UIS CareerConnect. Student must access their profiles and upload a valid resume to begin their job search. Students may visit CareerConnect at www.uis.edu/careerservices.

Veterans Receiving Financial Assistance: These individuals must be certified each semester for benefits by Financial Assistance and must complete a Request for Benefits Form each year. Copies of the form are available at www.uis.edu/financialaid/veterans. Veterans must notify that office of any changes affecting the amount or disposition of benefits, including changes in address, academic status (withdrawals, added classes, etc.), and number of dependents. VETERANS CANNOT AUDIT COURSES. The following require special approval: tutorials, variable-hour courses with no specified meeting time, weekend courses, online courses, telecourses, and applied study terms. These courses must be approved by an outside agency. There will be a four-to-six-week delay in benefits. It is in the student’s best interest to apply and COMPLETE the application EARLY.

GENERAL EDUCATION INFORMATION
The general education requirements for UIS consist of courses in written and oral communication, mathematics, natural science, social science and humanities. There are also university-specific requirements entitled Engaged Citizenship Common Experience (ECCE) courses. Transfer students who have general education deficiencies must fulfill these requirements before graduation.
Alternative Admission students must meet these requirements before they are fully admitted; therefore, UIS courses taken to satisfy general education deficiencies may not be counted toward graduation. See www.uis.edu/generaleducation for more information.

GRADUATE CLOSURE REQUIREMENT

Graduate students are required to be continuously enrolled during each semester (excluding summer) once they have begun their graduate closure exercise until that exercise is complete. This requirement means that if you do not finish your closure exercise during the number of hours set forth by your program for the closure course, you will be required to enroll in your program’s continuous enrollment course in all subsequent semesters until the exercise is complete.

If a formal leave of absence is approved for a given semester by your graduate program, continuous registration is not required. Failure to obtain a leave of absence will, in most cases, require retroactive registration in the closure exercise for each semester (summer term excluded) in which you were out of compliance.

Please note that some programs have specific requirements concerning how you register and complete your closure requirement. Contact your adviser for details on how your program implements this policy.

The time limitation for completing a master’s degree is six consecutive years from your first graduate course (excluding prerequisites) taken at UIS in pursuit of that degree, unless you have requested, and the program has granted, a leave of absence. A student must have approval from his/her adviser and program chair to continue working on the degree program after the time limitation has passed.

All pre-dissertation credit earned at UIS that is to be applied toward the completion of the doctorate must be taken within eight consecutive years from the first doctoral course taken at UIS. This does not include prerequisites or closure requirements. Exceptions may be granted on a case-by-case basis.

GRADUATION INFORMATION

Completion of Degree Requirements: All requirements must be completed in order for a student to receive a degree or a certificate. Students should refer to the online catalog for a complete listing of degree/certificate requirements. Degrees/certificates are awarded three times per year, at the end of the spring, summer, and fall semesters. All requirements must be completed by the end of the semester in which the student plans to graduate. Students who do not complete all requirements by the end of the semester noted on their graduation contract must wait to receive their degree/certificate until the end of a subsequent semester during which all degree requirements are met.

Commencement: A commencement ceremony will be held each May for graduates who received their degrees in the previous summer and fall semesters, and for current spring semester degree candidates.

Eligibility to Participate in Commencement Ceremony:

Candidates for Spring 2010 - All students who have a graduation contract on file by February 19 and who will complete all degree requirements by the end of the Spring 2010 semester are eligible to participate in the ceremony (unless otherwise instructed by their academic programs).

Candidates for Summer 2010 - Students who will complete all degree requirements in Summer 2010 will be eligible if BOTH of the following conditions are met:

1. Approved graduation contract must be on file in the Office of Records and Registration by February 19.
2. An approved student petition form to participate in commencement must be processed through your program and be on file in the Office of Records and Registration by February 19. Petitions are typically not approved if a student has any incomplete courses or more than 8 hours (undergraduate) or 4 hours (graduate) still to be taken during the summer term.

Graduation Contract: The graduation contract is required of all students who plan to earn a degree, whether they participate in the commencement ceremony or not. It is important to complete the contract as soon as possible, but no later than the posted deadline for the applicable semester. Signatures of the adviser and chair of the degree program are required. Upon receipt of the signed contract, each student will be charged the non-refundable mandatory graduation contract fee. Students with questions concerning graduation eligibility should contact Graduation at 217/206-7730.

IMMUNIZATION

All students, including those on the Peoria campus, born January 1, 1957, or after, and anyone living in on-campus housing are required by Illinois law and the University of Illinois Springfield to provide proof of immunization against measles, mumps, rubella, and tetanus/diphtheria/pertussis. This documentation must be submitted on the UIS immunization form (which can be found at: www.uis.edu/healthservices/immunizations/documents/44457/Required ImmunizationForm.pdf) and helps to prevent the induction and spread of vaccine-preventable diseases among students and the surrounding community.

Students are exempt from this requirement if they were born before 1957 or if they are taking only online classes. Students may request an exemption based on religious grounds by providing a letter from the religious authority of their faith. General philosophical or moral objection to immunization is NOT sufficient for an exemption on religious grounds.

Immunization forms must be completed and on file in the Health Services Office before 5 p.m. on the 5th day of summer session and the 10th day for fall and spring semesters to avoid a non-refundable non-compliance fee. Students not in compliance will not be allowed to register for a second semester. Questions concerning this policy should be directed to the Health Services Office at 217/206-6676. Students who are currently registered may check their immunization status online at https://medicine.uis.edu.

International students please note: All students who are not U.S. citizens must take a tuberculin skin test or a QFG blood test at the Health Services Office upon their arrival before registration. There are no exemptions from the tuberculin skin test/QFG for students who are not citizens of the U.S. Students who have a positive tuberculin skin test or QFG will be required to have a chest x-ray. Those who have not obtained their chest x-ray 10 days from the date of the positive test will be administratively withdrawn from all classes.

Students who have been treated for tuberculosis or who have been treated because of a positive tuberculin skin test in the past must bring those medical records with them. All medical records must be accompanied by a certified English translation.

INSURANCE/PETITION FOR EXEMPTION

All students at UIS must carry medical/hospital insurance coverage during the fall, spring, and summer semesters. STUDENTS ENROLLED IN ANY NON-ONLINE CLASS WILL BE AUTOMATICALLY ASSESSED AN INSURANCE FEE. Students with equivalent coverage outside of the University’s plan may file a Student Insurance Exemption Form and provide hard-copy proof of other coverage to have the fee removed from his/her account and to prevent future assessments. The petition for exemption will remain in effect until the student does not respond to a periodic request to confirm that he/she has continued coverage by another health plan or until the student requests reinstatement to the plan.

Exemptions must be filed no later than the posted date for the applicable semester. Students who register for classes after the exemption deadline will also be automatically assessed an insurance fee. These students will have 5 business days to exempt themselves from the insurance fee. Dependents are eligible for coverage; enrollment forms for dependents must also be submitted by the established deadline each semester.

Please note that online learners (those enrolled in only online courses for a given semester) are ineligible to participate in the Student Insurance Program. Also, note that the insurance fee is non-refundable on or after the official start date of the applicable semester. Exceptions are complete withdrawals made within the first 30 days of classes without having used insurance and students ordered to active military duty. In these cases, a student is eligible for a pro-rated refund.

Questions should be directed to the Office of Human Resources (HRB 30) by calling 217/206-6670.

INTERNATIONAL STUDENT ENROLLMENT

Due to federal reporting regulations, international students MUST be enrolled full-time by the 5th day of the summer session and the 10th day for fall and spring semesters.
NETWORK ID (NET ID) AND E-MAIL INFORMATION

Every enrolled student at UIS is assigned a Network ID (NetID) and e-mail address. The NetID is used to access information technology resources such as online courses, online library databases and journals, and e-mail. E-mail from faculty and important campus-wide announcements are sent to students via their official (University-assigned) e-mail address. For more information about NetIDs and how to access student e-mail accounts, direct a web browser to www.uis.edu/its/netid or call the UIS Technology Support Center at 217/206-6000 or toll free within Illinois at 877/847-0443.

NEW STUDENT INFORMATION

Advising – Freshmen Students: Advising and registration information for freshmen will be mailed to students. Freshmen must see an adviser prior to registering for classes. For more information, students may contact the Undergraduate Academic Advising Center at 217/206-7246. Freshmen students enrolled in the Honors Program may contact the Capital Scholars Honors Program Office at 217/206-6174.

Advising – Transfer Students: Because it is important to register for the courses you need, plan to meet with an adviser from your program as early as possible to determine appropriate courses. Staff in the Undergraduate Academic Advising Center can help identify classes to complete general education requirements and prepare for major coursework. During the first semester of enrollment, each new student will be assigned a faculty adviser by his or her program. All students are encouraged to arrange an appointment with the assigned faculty adviser or the appropriate academic program administrator before registering.

International Student Orientation/Registration: All new international students must report for mandatory orientation, academic advising, and registration assistance. International students must attend this session in order to register. After the orientation, students will be assisted in completing the registration process. Students should contact the International Student Adviser at 217/206-6678.

Orientation: Programs for admitted students will be available before the beginning of each semester. Information about these programs will be mailed to admitted students.

PARKING

All full- and part-time day and night students, as well as faculty and staff, must purchase and display a parking hang tag for the vehicle they park on campus. A student may register only his or her own vehicle or that of an immediate family member. Parking hang tags are mandatory and must be purchased online at www.uis.edu/parking. Once the online purchase is complete, the printed confirmation must be taken to the Parking Operations Office, located on the lower level of the Public Affairs Center (PAC 119), to receive the purchased hang tag.

PREREQUISITES

Prerequisites, if any, are included in the course description. Students are responsible for completing all prerequisites prior to enrolling in a course. For some courses, the student registration system will prevent students from registering if prerequisites have not been completed. Regardless of whether or not the registration system prevents a student from enrolling in a course, the University will not be responsible for a student’s failure to adhere to those prerequisites. Students who have not completed all prerequisites may be administratively withdrawn.

RECORDS POLICY FOR STUDENTS

In accordance with the Family Educational Rights and Privacy Act of 1974, students have the right to inspect and review their official UIS records, to request corrections, and to limit access to such records. Students have the right to withhold the disclosure of all directory information. For additional information or to complete a non-disclosure form, contact Registration at 217/206-6174.

REGISTRATION

Students should register through Student Self-Service (available through the Records and Registration website – www.uis.edu/registration). Though all students are encouraged to use Student Self-Service, assistance with the registration process is available by contacting Registration at 217/206-6174.

Audit Grading: The deadline for changing to audit grading is consistent with the last day to withdraw from a course. It is the student’s responsibility to contact Registration (217/206-6174) to change one or more courses to audit grading. Full tuition and fees are assessed for audited courses.

Concurrent Enrollment/Registration: Students who plan to enroll for courses on more than one University of Illinois campus must obtain information and forms regarding concurrent enrollment by contacting Registration (217/206-6174).

Intercampus Enrollment/Registration: The Intercampus Enrollment Program is intended to give students at one campus of the University of Illinois the opportunity to take advantage of educational opportunities unique to another campus of the University without having to formally transfer. It is not designed to replace concurrent enrollment or transfer. The program also provides for summer enrollment at another U of I campus should financial aid be required. Students should contact Registration (217/206-6174) for additional information and enrollment forms.

Late Registration: It is the student’s responsibility to contact Registration (217/206-6174) to add one or more courses during the late registration period. During late registration instructor approval is required for all courses and late fees apply.

REGISTRATION COURSE INFORMATION

Wait-listed Courses: Selected courses may have a computerized wait list. When enrollment for a wait-listed course reaches the maximum capacity, students may add their names to the wait list using Student Self-Service. Students will be notified by the department of the specific deadline to register if space becomes available and electronic approval has been granted. Decisions for approval are generally made before the beginning of the course. Students should use Student Self-Service to remove their names from wait-listed courses in which they no longer wish to enroll.

Courses Requiring Special Approval: Some courses may have the notation “Instructor Approval Required” or “Departmental Approval Required” beneath the course title. In order to register for these courses, the student must contact the program office or the course instructor to obtain the appropriate permission. The approval must be entered electronically before the student will be allowed to register. Students MUST OFFICIALLY REGISTER for these types of courses. Students are NOT automatically registered for a course when the electronic permission is entered.

REGISTRATION HOLDS/ENROLLMENT RESTRICTIONS

Academic Restrictions:

Overloads: Students registering for more than 8 semester hours for summer or 18 semester hours for fall or spring must have approval of their academic programs.

Probation: Students on academic probation must meet with their academic adviser each semester they are on probation. NOTE: Students on probation are restricted to no more than 6 semester hours for summer and 12 semester hours for fall or spring.

Suspension: Students who have been academically suspended from UIS must complete an Appeal of Academic Suspension form to be reinstated. It is the responsibility of the student to file the appeal, which must be approved by the student’s adviser, program chair, and academic dean. If approved, the conditions of probation apply (see “Probation”).

Non-Academic Restrictions: Students who have “HOLDS” are responsible for clearing them prior to registration. These include parking, library, financial, short-term loans, health, admissions, and program restrictions.

REGISTRATION PRIORITY

Registration priority is limited to currently enrolled students. Registration will be determined according to the schedule listed on the calendar associated with the upcoming semester (summer, fall, or spring). Hours are based on courses completed PRIOR to the current semester. Students who do not register on their designated dates may register AFTER designated dates.
New students and continuing students not enrolled for the current semester will be allowed to register following the priority registration period.

RELIGIOUS OBSERVANCE POLICY
It is the formal administrative policy of the University of Illinois Springfield to provide reasonable accommodation to the religious observances of individual students with regard to admission, class attendance, and scheduling examinations and course assignments. A student who believes that he or she has been unreasonably denied an educational benefit due to his or her religious belief or practices may seek redress under the grievance process provided for in the University Student Code.

RESIDENCY
In order to be considered an Illinois resident for tuition purposes, an independent adult must have been a bona fide resident of Illinois for a period of at least one year immediately preceding the beginning (first day) of any term for which he/she registers. Also, the purpose for moving to Illinois must be other than to obtain an education. If your residency status has been determined to be non-resident and you are a U.S. citizen, Permanent Resident Immigrant, refugee, or have political asylum, you may request a review by completing the petition for determination of residency status. Petitions may be obtained from the Office of Admissions or downloaded from the web (www.uis.edu/admissions).

SENIOR LEARNER PROGRAM

Freshmen are those students who have earned less than 30 hours of credit, sophomores have earned 30-59.99 credit hours, juniors have earned 60-89.99 credit hours, and seniors have earned 90 or more hours. Graduate students are those working toward a master's or doctoral degree or certificate.
