STUDENT RESPONSIBILITY

Students are responsible for knowing and adhering to the policies, deadlines, and procedures contained in the catalog and current policies and registration information booklet. Students may receive credit only for those courses for which they are properly registered and will assume academic and financial responsibility for any course for which they register unless they officially cancel registration according to the established deadlines. Students receiving financial assistance must contact the Office of Financial Assistance PRIOR to dropping a course or withdrawing from the University to determine the effect on the student's financial aid award for the semester. Please refer to the catalog for more information on the consequences of dropping or withdrawing.

All withdrawals from courses must be made using Student Self-Service (www.uis.edu/registration/). Non-attendance or non-payment does NOT constitute an official withdrawal. Students who change sections, add, and/or drop will be charged full tuition and fees for every transaction according to the date, as listed below.

The date you officially drop/withdraw will affect the amount you owe and/or the amount to be refunded and may affect the grade on your transcript. A course officially dropped after the add/drop period will have a grade of “W” on the transcript. A failing grade will be assigned and calculated in the grade-point average for courses not dropped by specified deadlines. ONLY the individual student may make changes to his/her class schedule. For more information, contact Registration at 217/206-6174.
