

University of Illinois at Springfield

Student Government Association

Resolution 2009-15

Resolution on the Location of the New Public Safety Building on the UIS Campus Master Plan

WHEREAS, The Student Government Association is vested with the authority to represent the students of The University of Illinois at Springfield (UIS) in issues affecting them; and

WHEREAS, The Campus Senate, at the request of the Chancellor, had established a committee to review site locations for the Public Safety Building on the UIS Campus Master Plan,

WHEREAS, The UIS SGA has reviewed the final sites for the New Public Safety Building as determined by the Campus Senate Committee, in comparison with the current UIS Campus Master Plan.

THEREFORE BE IT RESOLVED, The UIS SGA officially endorses site 7, as established by the Campus Senate Committee on the New Public Safety Building, as site 7 represents an appropriate balance of public safety, student, and financial concerns for a New Public Safety Building.

THEREFORE BE IT FURTHER RESOLVED, The UIS SGA recommends to Chancellor Ringeisen site 7, for his consideration on the location of the New Public Safety Building on the UIS Campus Master Plan, as it represents, from the perspective of the student body, the most appropriate and desirable location for a new Police Station.
