

## Registration Agreement

By registering for classes at the University of Illinois I understand and agree that my registration and acceptance of the terms below constitute a Promissory Note agreement, i.e. a financial obligation in the form of an educational loan as defined by the U.S. Bankruptcy Code at 11 U.S.C. §523(a)(8) wherein the University of Illinois is providing me educational services, and deferring some or all of my payment obligation for those services.

I promise to pay all assessed tuition and fees as a result of my registration, **unless I cancel prior to the first day of the term.** If I do not cancel my classes before the beginning of the term I understand that **I will be held responsible for paying all or some portion of tuition and fees based on my date of withdrawal.** I also promise to pay any additional charges I incur including but not limited to charges for room, board, parking, class materials and any other departmental or college charges.

I understand that the University is advancing value to me in the form of educational services and that my right to register is expressly conditioned upon my agreement to pay the costs of tuition and fees and any additional costs when those charges become due. I understand that, regardless of my eligibility for financial aid, I am personally responsible for the full amount assessed to me as a result of my registration and attendance. I have read, understand and accept my Financial Responsibility Agreement with University of Illinois regarding communication, privacy rights and responsibilities, student account billing, sponsor billing, financial aid, credit balance refunds, returned payments and failed payment agreements, penalty and collection activity on past due accounts, and electronic delivery of IRS Form 1098-T, as stated at <http://paymybill.uillinois.edu/registrationagreement>.
