For Priority Processing Submit Form by July 15, 2021

If your or your spouse’s financial situation has changed from what was reported on the 2021-2022 Free Application for Federal Student Aid (FAFSA), use this form to request an evaluation of your financial aid eligibility. This form is meant to be a one-time form, not one that is completed every year, except in special circumstances. This form should only be completed by independent undergraduate students who meet one of the reasons listed below in Section B. As a general rule, the anticipated 2021 Adjusted Gross Income (AGI) should be at least 20% less than the actual 2019 AGI before submitting documentation for reasons A, B, and C. Submission of this form does not guarantee an adjustment to your financial aid.

Please note, we reserve the right to correct information on the FAFSA, and to select students for verification. Please submit the specific tax year information listed on this form. If you submitted the same tax information to our office in the prior academic year, you do not need to submit the documents again.

You must complete all of the following steps before this form will be reviewed:
