# University of Illinois Springfield

# Lincoln Land Community College 2018-2019 Transfer Guide

### **Transfer Options**

### Associate in Arts and Associate in Science Degrees

Applicants holding an Associate in Arts from an Illinois community college are admissible as juniors and are considered to have met the general education requirements. Students holding an Associate in Science or Associate in Arts and Sciences may be admissible as Juniors, but may still not be considered as fulfilling all their general education coursework. Course-by-course evaluation will take place.

#### Other Admission

Students wanting to get an early start on their studies at UIS can be admitted if they have completed a minimum of 30 transferable semester hours of college work from a regionally accredited college or university. Policy requires a minimum cumulative 2.0 grade point average (4.0 scale).

Admission to the junior year at UIS is granted to applicants who have completed 60 semester (90 quarter) hours of credit with a minimum cumulative 2.0 grade point average (4.0 scale) from a regionally accredited college or university. In addition, 37 semester hours of general education courses must be completed before graduation from UIS; it is preferred that these hours be completed prior to admission to UIS. UIS will accept up to 72 hours of lower-division courses toward the average total of 120 hours (AACSB majors accept 66 hours).

To avoid extending the number of courses necessary once at UIS, students are encouraged to complete general education courses **prior to admission to the university**. See listing of requirements on page 2.

#### Illinois articulation initiative (IAI)

UIS is a participant in (IAI), a statewide agreement designed to allow you to transfer your general education credit, as well as credit earned in select majors, between participating institutions. For more details refer to the UIS catalog or <a href="https://doi.org/10.1007/jtms.com/linearing/linearing/">https://doi.org/10.1007/jtms.com/linearing/</a> institutions. For more details refer to the UIS catalog or <a href="https://doi.org/10.1007/jtms.com/linearing/">https://doi.org/10.1007/jtms.com/linearing/<a href="https://doi.org/">https://doi.org/<a href="https://doi.org/">https://doi

All courses (especially pre-requisites) are subject to department review. This guide should be utilized for preliminary advising purposes only. Final course evaluation is only completed when the student has been fully admitted to UIS.

#### 2+2 Transfer Agreements and Joint/Dual Agreements

Check to see if your Community College has 2+2 Transfer Agreements and/or Joint/Dual Agreements articulated with UIS at <a href="http://www.uis.edu/admissions/transfer/index.html">http://www.uis.edu/admissions/transfer/index.html</a>.

Any additional questions on Transfer Admissions, please contact Raymond Barnett (217) 206-6628 or <a href="mailto:rbarn2@uis.edu">rbarn2@uis.edu</a>.

## Internships and Prior Learning

Internships and Prior Learning Services (IPL) consists of Internships, Prior Learning Assessment, and Service-Learning. These three programs allow students to earn ECCE Engagement credits and/or fulfill degree program requirements.

- Internship Services enables students to obtain real-world experience in their area of study.
- Prior Learning Assessment gives students an opportunity to earn credit for past college-level learning.
- Service-Learning courses allow students to engage with the community and develop an
  understanding of civic responsibility by providing community service to non-profit agencies as part
  of their coursework.

Phone: (217) 206-6640 E-mail: <u>ipl@uis.edu</u>

### International Students

International Students who have not completed Composition I, Composition II, and Speech Communications with a C or better are expected to submit an acceptable English Proficiency test score or submit a UIS-based test on English Proficiency.

|               | TOEFL iBT | TOEFL PBT | IELTS<br>Academic | PTE | iTEP<br>Academic<br>Plus | MELICET |
|---------------|-----------|-----------|-------------------|-----|--------------------------|---------|
| Undergraduate | 61        | 500       | 5.0               | 50  | 4.0                      | 69      |
| Minimum       |           |           |                   |     |                          |         |

## Pre-Professional Programs

UIS offers course work in Pre-Professional programs. Please contact Raymond Barnet at rbarn2@uis.edu to determine advisors.

- Pre-Chiropractic Medicine
- Pre-Dental
- Pre-Law
- Pre-Occupational Therapy
- Pre-Optometry

- Pre-Pharmacy
- Pre-Physical Therapy
- Pre-Podiatry
- Pre-Veterinary Medicine

### Available Minors

- Accountancy
- African-American Studies
- Anthropology
- Biology
- Business (general
- Chemistry
- Communications
- Computer Science
- Criminology and Criminal Justice
- Economics
- English
- Environmental Studies
- Finance
- History
- International Studies
- Liberty Studies
- Management
- Management Information Systems

- Marketing
- Mathematical Sciences
- Music
- Philosophy
- Political Science
- Pre-Medical
- Psychology
- Public Health
- Social Responsibility and Leadership
- Sociology
- Spanish
- Sports Management
- Teacher Education Elementary
- Teacher Education Secondary
- Theatre
- Visual Arts
- Women and Gender Studies

Child Advocacy Studies can be added as an option to many majors.
