

UIS Summer 2021 Operational Matrix

Effective: May 17, 2021

Guidelines for UIS operations during Illinois' "[Bridge Phase](#)"

Activity	Bridge Phase
<p>Spectator events held at indoor entertainment venues/theatres with <u>less than 200</u> capacity</p>	<p>Up to 60% capacity allowed.</p> <p>Vaccination status or testing status does not factor into guest capacity limits.</p> <p>UIS event staff (including Extra Help) who participate in weekly campus testing may not count against capacity limits.</p> <p>Event volunteers will not count against capacity limits but should use the Shield community lane for COVID testing 48 hours prior to the event.</p> <p>Venue must adhere to the Illinois DCEO guidelines for both entertainment venues and the activity occurring within the space, including developing plans to limit congregation or congestion at entry/exits points, in lobbies and at restrooms.</p> <p>On-campus gathering request form must be submitted if event includes 50+ individuals.</p> <p>UIS guidelines for face coverings and social distancing apply.</p> <p>No concessions.</p> <p>Only one rental event shall be permitted per calendar day unless specific approval by the CRRT.</p>
<p>Spectator events held at indoor entertainment venues/theatres with capacity of 200 or more</p>	<p>May 2021: Up to 150 guests allowed; stage performers must maintain social distance and follow DCEO guidelines for their activity.</p> <p>June 2021: Up to 300 guests allowed; stage performers must maintain social distance and follow DCEO guidelines for their activity.</p> <p>Guests' vaccination status or testing status does not factor into guest capacity limits.</p> <p>UIS event staff (including Extra Help) who participate in weekly campus testing may not count against capacity limits.</p> <p>Event volunteers will not count against capacity limits but should use the Shield community lane for COVID testing 48 hours prior to the event.</p>

	<p>Venue must adhere to the Illinois DCEO guidelines for both entertainment venues and the activity occurring within the space, including developing plans to limit congregation or congestion at entry/exits points, in lobbies and at restrooms.</p> <p>On-campus gathering request form must be submitted if event includes 50+ individuals</p> <p>UIS guidelines for face coverings and social distancing apply.</p> <p>No concessions.</p> <p>Only one rental event shall be permitted per calendar day unless specific approval by the CRRT.</p>
Summer camps	<p>Camp staff and camp volunteers are encouraged to be vaccinated. UIS employees must test twice weekly; camp volunteers must provide a negative test result within the past 72 hours on the first day of camp.</p> <p>Must follow Illinois DCEO guidelines for day camps and, for Athletics camps, youth sports.</p> <p>Vaccination status or testing status does not factor into capacity limits.</p> <p>UIS guidelines for face coverings and social distancing apply.</p> <p>Camps in classroom settings must allow for six feet of distance between campers.</p> <p>Meals or snacks should be eaten outside when weather allows with distancing in place.</p> <p>Overnight camps are not allowed unless approved by the UIS COVID-19 Rapid Response Team.</p> <p>On-campus gathering request form must be submitted if event includes 50+ individuals.</p>
On-site Work	<p>Up to 60% office capacity (in each defined space) allowed at one time.</p> <p>Permission is required by the CRRT to exceed 60%. Email your onsite work plan to covid19@uis.edu.</p> <p>Vaccination status or testing status does not factor into capacity limits.</p> <p>Everyone working on-site must participate in the UIS testing program.</p> <p>United in Safety guidelines for face coverings and distancing apply.</p>

Travel for University Business	All employees must follow the “Guidance for University-related Travel During a Pandemic,” currently under review with the CRRT and Chancellor’s Cabinet.
Residence Life: Guests and testing requirement	<p>United in Safety guidelines apply for face coverings and social distancing.</p> <p>On-campus residents may visit one another, inside their assigned residential spaces. One visitor is allowed per bed space at the same time (eight total individuals in a townhome or apartment at the same time, and four individuals in residence hall room at the same time).</p> <p>Off-campus students are allowed within public areas of buildings.</p> <p>Vaccination status does not affect guest limits or face-covering/distancing rules.</p> <p>Guests are strongly encouraged to be vaccinated.</p> <p>All Res Life occupants must test at least once per week.</p>
Conference Rooms with capacity of < 200 people	<p>Up to 60% capacity allowed.</p> <p>Vaccination status or testing status does not factor into capacity limits.</p> <p>United in Safety guidelines for face coverings and distancing apply.</p> <p>On-campus gathering request form must be submitted if event includes 25+ individuals.</p>
Conference Rooms with capacity of 200+ people	<p>May 2021: Up to 60% capacity or 150 people, whichever is less, allowed.</p> <p>June 2021: Up to 60% capacity or 300 people, whichever is less, allowed.</p> <p>Vaccination status or testing status does not factor into capacity limits.</p> <p>United in Safety guidelines for face coverings and distancing apply.</p> <p>On-campus gathering request form must be submitted if event includes 50+ individuals unless otherwise directed by the CRRT.</p>
Testing	<p>Required once a week for any UIS faculty, staff or student who is living, learning, working on training on a UIS property unless otherwise directed by the CRRT.</p> <p>Vaccination status does not waive the testing requirement.</p>

<p>Social events</p>	<p>Indoor: Capacity restrictions should align with guidelines for Conference Rooms.</p> <p>Outdoor: Up to 200 individuals allowed.</p> <p>Vaccination status or testing status does not factor into capacity limits.</p> <p>United in Safety guidelines for face coverings and distancing apply.</p> <p>On-campus gathering request form must be submitted if event includes 50+ individuals unless otherwise directed by the CRRT.</p>
<p>Off-campus Guests</p>	<p>Off-campus guests are allowed in university spaces as outlined by the guidelines in this document. All guests must abide by United in Safety guidelines for face coverings and social distancing.</p> <p>When feasible, units hosting events or offering use of spaces that include guests should log non-university guests' contact info for possible contact tracing and maintain this record for at least 30 days following the event.</p>
<p>Campus Recreation</p>	<p>DCEO guidelines for Health & Fitness Center / Recreation apply.</p> <p>Vaccination status or testing status does not factor into capacity limits.</p> <p>United in Safety guidelines for face coverings and distancing apply.</p> <p>On-campus gathering request form must be submitted if a recreation event (not including scheduled fitness classes) includes 50+ individuals unless otherwise directed by the CRRT.</p>
<p>Dining</p>	<p>DCEO guidelines for Dining apply.</p> <p>Vaccination status or testing status does not factor into capacity limits.</p> <p>United in Safety guidelines for face coverings and distancing apply.</p>
