

# Faculty/Staff Permit renewal

## Payroll Deduction

Faculty and Staff with a PERKS paid through payroll deduction will automatically renew and may continue to utilize their PERKS parking permit and enjoy parking in their PERKS.

Standard and Economy parking permits paid through payroll deduction will automatically renew and faculty/staff will receive a **new** parking permit.

Faculty and Staff choosing to obtain a different permit type than their current permit type should contact Parking Operations.

Faculty and Staff choosing to pay with debit/credit card instead of payroll deduction should contact Parking Operations.

## Debit/Credit Card

Faculty and Staff with a PERKS paid by credit/debit card must renew their PERKS with an annual credit/debit card payment. With an annual payment, faculty and staff may continue to utilize their PERKS parking permit and enjoy parking in their PERKS.

Faculty and Staff with an Economy or Standard parking permit paid by credit/debit card may again purchase an annual parking permit of their choice with credit/debit card payment and receive a **new** parking permit.

Full time faculty and staff are also eligible to choose payroll deduction as a payment option.

The parking permit application will be available **beginning July 20<sup>th</sup>**.

Parking Operations will deliver faculty/staff permits to their campus address.
